ABOUT SNAP-ON INCORPORATED

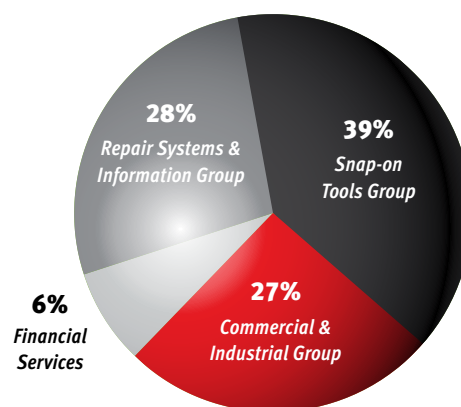

Snap-on makes work easier for serious professionals in critical industries around the world, providing unique productivity solutions including tools, equipment, diagnostics, repair information and systems solutions. In the automotive garage and beyond, the legendary Snap-on brand conveys a badge of professionalism, delivering confidence to those performing critical tasks where second best is not an option. Products and services are sold through the company's franchisee, company-direct, distributor and internet channels. Founded in 1920, Snap-on is a \$3.4 billion, S&P 500 company headquartered in Kenosha, Wisconsin, and its shares are traded on the New York Stock Exchange under the ticker symbol SNA.

UNIQUE VALUE PROPOSITION FOR PROFESSIONALS PERFORMING CRITICAL TASKS

Snap-on began with the development of the original Snap-on interchangeable socket set in 1920. Later, Snap-on pioneered mobile tool distribution, where fully stocked vans sold to professional vehicle repair technicians at their places of business. For decades, we were viewed, and we viewed ourselves, primarily as a tool company selling through vans to vehicle repair technicians — something we have always done very well, and continue to do very well today. **Today, we define our value proposition more broadly, reaching beyond the garage. Snap-on today supports serious professionals in critical industries — inside and outside vehicle repair — by delivering a broad array of solutions to make work easier.**

ORGANIZED TO REACH OUR PRIMARY CUSTOMERS

FY2016 external sales by region

DIVIDENDS

Since 1939, Snap-on has paid consecutive quarterly cash dividends, without interruption or reduction — a claim few public companies can make. Snap-on's dividend is an important component of total return to shareholders and an essential part of our capital allocation strategy. In November 2016, the Board of Directors approved an 16.4% increase in our dividend, underscoring our commitment to create long-term value for our shareholders.

GROWTH STRATEGY

Snap-on is positioned for the future with favorable vehicle population trends, increasing vehicle complexity, growing demand in emerging markets and significant opportunities in industries outside of vehicle repair. To capitalize on these opportunities, we are investing strategically in these wide runways for growth in order to **reach more professionals:**

- Enhance the franchise network to reach more vehicle repair technicians
- Expand in the garage with shop owners and managers
- Extend to critical industries outside of vehicle repair
- Build in emerging markets where vehicle repair and critical industries are in relatively early stages

INVESTOR FACT SHEET

Snap-on Incorporated

3RD QUARTER 2017

INVESTMENT RATIONALE

- Executing on a defined and coherent strategy
- Unique brand and value proposition
- Steadfast commitment to Snap-on Value Creation Processes; clear runways for improvement
- Substantial runways for growth
- Attractive dividend yield
