Explanation of Responses:

- Based on Company performance during the 2014-2016 period, approximately 106.7% of the performance units vested (as previously disclosed, the reporting person had the opportunity to earn up to 200% of the number originally reported, subject to plan limits).
- Shares were withheld to cover tax withholding upon the vesting of performance units.

Assuming continued employment through the end of fiscal 2018, the units will then vest in one installment and the shares will be issued shortly thereafter.
- Original option grant vests in three annual installments beginning on the date listed in the "Date Exercisable" column.
- This transaction was an option grant. Accordingly, the reporting person did not pay a price to obtain the option.
